

Georgetown, Texas, June 15th

Dear Cousin,

Thank you for being there for your mother during her last days under the sun. Thank you, as well, for keeping Uncle Dan company for so long. The burden that you and Meg carry is no small thing. I hope that it brings you some measure of comfort to know that I love you and that you are a gift to the family. I will carry Charlene's memory for as long as I live.

With a heavy heart,

Tristen O'Neal
